

Kelli Berry moved from Mississippi to the Phoenix/Scottsdale area in 1996. She created a successful client base as an account executive working for a global commercial flooring manufacturer and contractor for nine years. Her awareness of the client's needs and level of knowledge resulted in several national and local awards during her tenure in sales, and marketing.

Kelli's career spans thirty years as a commercial interior designer, interior subcontractor, project manager, sales and marketing professional. Although her practice encompasses corporate, retail, education design genres, the healthcare market has increasingly commanded her knowledge, experience and services.

Kelli Berry & Associates, an interior design firm, was launched in October 2005. Her clients include ASU, Thunderbird Global School of Business, Banner Surgicenters, Chandler Regional Hospital, Saemisch DiBella Architects, Abbott+Taylor Architects, VGA Architects, Devenney Group Architects, Devman Ensemble Real Estate, Ryan Companies, among a host of other developers, and end-users.

She holds a Bachelor of Fine Arts Degree in Interior Design from Mississippi University for Women and a minor in Art History.

Her continuing education includes CAD and Revit software programs, as well as area and national conference pertaining to healthcare facilities management and design.

She is a member of the local CASHE Chapter, AZ CREW, THE CENTER FOR HEALTHCARE DESIGN and a WBE/DBE certified business. She has a passionate commitment to mentoring young women in areas of self determination and success in the professional world.

She is married and has one son serving as an Army Aviator in the United States Military.
